

SECTION V – PHYSICAL HAZARDS/REACTIVITY DATA

Stability: stable

Conditions to Avoid: Not applicable

Hazardous Decomposition: Oxides of carbon and nitrogen

Hazardous Polymerization: Will not occur

Conditions to Avoid: None known

SECTION VI – HEALTH HAZARD/REACTIVITY DATA

Carcinogen – NTP Program: not listed

Carcinogen – IARC Program: not listed

Symptoms of Exposure:

Eyes: Contact will cause eye irritation

Skin: Will produce stinging/burning sensation in open wounds. Prolonged contact will cause irritation in some people.

Inhalation: Can cause discomfort and may be harmful or fatal if swallowed.

Ingestion: Not a likely route of exposure. Product has low vapor pressure at room temperature and is not expected to present a significant inhalation hazard under ambient conditions.

Primary Routes of Exposure and Emergency First Aid:

Eyes: Irrigate eyes for 15 minutes. Seek medical care.

Skin: Immediately flush affected areas with cold water while removing contaminated clothing shoes. Wash with soap and water.

Inhalation: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a physician.

Ingestion: DO NOT INDUCE VOMITING. Give 3-4 glasses of water. Call physician immediately

SECTION VII – SPILL OR LEAK (ENVIRONMENTAL PROTECTION) PROCEDURES

Spill Response: Stop spill at source. Contain spill and salvage as much material as possible. Pick up remaining with absorbent,

Waste Disposal Method: Dispose of in accordance with local, state and federal regulations.

Other Precautions: None other than above.

SECTION VIII – SPECIAL PROTECTION/CONTROL INFORMATION

Eye Protection: Chemical goggles or safety glasses.

Skin Protection: Use rubber or plastic gloves to prevent prolonged contact.

Respiratory Protection: None required with normal ventilation.

Ventilation Procedures: Local exhaust ventilation as necessary to control vapors and/or mist.

Other Protection: As above.

SECTION IX – SPECIAL PRECAUTIONS

Hygienic Practices in Handling and Storage:

Keep out reach of children. Store in cool, dry location below 120°F.

Keep container closed.

Precautions for Repair and Maintenance of Equipment:

Rinse well after use. Avoid aluminum.

Other Precautions: none
